## Information for the parents and guardians of Nashua High School South's Class of 2016

March, 2016

Dear parents and guardians,

Planning is now underway for the graduation-related events of Nashua High School South's Class of 2016. Although graduation may seem far in the future, we are actively getting everything ordered, manufactured and in place to provide an exciting graduation season for the graduates and their families.

It is now time for parents and guardians to place orders for the formal graduation announcements which will be shipped directly to residences beginning a few weeks after the final and approved graduation date is set.

Your printable order form and digital product catalogue can be found online at

**[www.GradGowns.com](http://www.GradGowns.com)**

1. Select [ANNOUNCEMENTS](#) on the menu
2. Select [NASHUA HS SOUTH](#) in the grey drop-box at the top of the page.

Nashua High School South provides a custom announcement design as shown to the left featuring an engraved school crest, design using purple and silver foil with accenting black ink, and custom text providing the date, time and place of the Class of 2016 graduation ceremony on the inside.

**A limited amount of announcements are being engraved and printed.** Orders will be accepted and filled on a first-come basis.

Formally announcing your son or daughter's graduation from high school is a decades-strong American tradition properly achieved by sending graduation announcements to family and friends.

Mail them to friends and family and expect an enthusiastic and appreciative response.
